## TIM'S WHIMS

Hey, gang! Welcome to the second REN AND STIMPY QUARTERLY SPECIAL, "Summer Jobs." And welcome to your letters page. The response to the POWDERED TOASTMAN SPECIAL was so overwhelming, we decided to let you do all the talking. So, on behalf of Dan Slott, Ty Templeton, Gary Fields, Chia Chi Wang and Ed Lazellari...thanks for writing!

Dear Mr. Tim Tuohy,

I have just finished reading the POWDERED TOASTMAN SPECIAL and boy was it good. I am writing to you from the far off land of Whitby, Canada (east of Toronto). I collect Ren and Stimpy comics and many other kinds of comics.

Not many other people around here like comics or Ren and Stimpy, especially teachers! My best friend, Mike, also collects Ren and Stimpy.

In conclusion, I would like to see more POWDERED TOASTMAN SPECIALS and maybe even his own series of comics. Keep up the excellent work!

Dear Mr. Tuohy,

I would like to see a POWDERED TOASTMAN SPECIAL every two or three months. Maybe he could even have his own book.

Hey Tim,

You asked, do you want to see more POWDERED TOASTMAN SPECIALS. Well, if I don't, you're gonna beee toast, ya know what I meeeeeeant!?!

I loved this one. I like the way Ren and Stimpy were in the book, but not in the story! A job well done! All around great! Or toasterific if you will.

This is my first time for writing in to a comic so maybe this tells ya something, ha!

Give my thanks to everybody who helped out! Waiting for theee next issue to come out!

Mr. Tuohy,

I am a big fan of Ren and Stimpy and Powdered Toastman. That's the main reason I'm writing. I'd like to see more POWDERED TOASTMAN SPECIALS or maybe he could get a series of his own. I'd like to see some POWDERED TOASTBOY SPECIALS, too.

Dear Powdered Toastman,

First of all, I would like to thank you for giving me the experience of reading the ace POWDERED TOASTMAN SPECIAL. I think it is one of the best comic books ever.

The people who made Ren and Stimpy and the Powdered Toastman are brilliant. Thanks for giving me the best comic in the world!

I love Ren and Stimpy and the rest of the crew!

Dear Powdered Toastman,

I would like to compliment the people responsible for the POWDERED TOASTMAN SPECIAL! And to make this letter short and to the point—I want to see more Powdered Toastman!

Dear Mr. Tuohy,

I love Ren and Stimpy and Powdered Toastman. I always buy their comics, right when they come in to the stores. They are very funny. They seem to have more color and better looking characters (did you have different artists?). They are funnier and longer than other comics, too.

I also like Ren and Stimpy because it refers to previous episodes on T.V.

Whoever thought of making a POWDERED TOASTMAN SPECIAL must have been using their noggins. Please make more specials of Powdered Toastman and let Ren and Stimpy live on!

Happy! Happy! Joy! Joy!

Dear Mr. Tuohy,

I am an avid fan of the Ren and Stimpy show, the cartoon comic, etc. I am probably one of the biggest fans of Ren and Stimpy in the United States, maybe even the world. I have all the comics, including the new POWDERED TOASTMAN SPECIAL.

I would very much like to see more Powdered Toastman comics published. I thought it was very funny. I especially liked the idea of the things that would be seen in the comic (Eskimos, the world's largest X-Mas tree ornament, etc.) and the kazoes.

Dear Tim,

I am a big fan of not only Ren and Stimpy comics, but also the cartoon on Nick and on MTV. My sister, Jessica, and my brother, Josh, are also Ren and Stimpy fanatics!

I had never even touched a comic book until Ren and Stimpy came out with one; now I'm a comic freak. I am waiting anxiously to see what comes out next!

Dear Mr. Tuohy,

I really enjoyed the Powdered Toastman special #1. The cover, done by Ty Templeton, was truly awesome! There should be more comics on the market like this one.

I'm really looking forward to another POWDERED TOASTMAN SPECIAL.

## Dear Powdered Toast People

Yes, I would like to see more POWDERED TOASTMAN SPECIALS. I'm a big fan of all Ren and Stimpy comics. Now, this is just my opinion, but I think you should give him his own ongoing series. Maybe even Mr. Horse and some other characters could get their own series, too.
